

**In accordance with a resolution of the 2023 LNP Convention, the following resolutions have been carried over for consideration and do not need to be resubmitted.**

**35. FIRST HOME DEPOSIT SCHEME INITIATIVE** **INALA SEC**

That this Convention of the LNP calls upon the next Federal Coalition Government to amend the First Home Deposit Scheme, so that first home buyers can utilise a minimum two-year rental history as a consideration towards their capacity to service a home loan.

**36. FIRST HOME OWNERS INITIATIVE** **MAROOCHYDORE SEC**

That this Convention of the LNP calls upon the next LNP State Government to allow first home owners, who have been granted a transfer duty concession, to be able to rent a portion of their property (except as short stay accommodation) without penalty, as long as they continue to reside in the property.

**39. MENINGOCOCCAL B VACCINE** **CURRUMBIN SEC**

That this Convention of the LNP calls upon the next LNP State Government to include the Meningococcal B vaccine on the Immunisation Schedule Queensland, including making the vaccine available through the School Immunisation Program.

**42. AFFORDABLE IVF** **MILLER SEC**

That this Convention of the LNP calls upon the next LNP State Government to adopt an Affordable IVF Initiative.

**48. FAITH BASED EDUCATION** **MAROOCHYDORE SEC**

That this Convention of the LNP calls upon the next Federal Coalition Government to establish protections for faith-based schools to employ staff who align with their faith, values and ethos, in light of the Australian Law Reform Commission's recent consultation paper.

**50. FLEXIBLE WORK PLACES** **CLAYFIELD SEC**

That this Convention of the LNP calls upon the next Federal Coalition and LNP State Governments to support changes in employment practices to adapt to the evolving trend of remote work and flexible working environments, reflecting the shift away from traditional physical offices.

**52. BREASTSCREEN QUEENSLAND IMAGING** **LNP WOMEN**

That this Convention of the LNP calls upon the next LNP State Government to urgently replace 2D breast screen imaging machines with the latest 3D technology in all BreastScreen Queensland sites.

**60. OPPOSITION TO SUPERVISED INJECTING ROOMS** **LILLEY FDC**

That this Convention of the LNP calls upon the next LNP State Government to oppose the implementation of medically supervised injecting rooms.

**61. VOTER ID FOR ELECTIONS** **NICKLIN SEC**

That this Convention of the LNP calls upon the Brisbane City Council and the next Federal Coalition and LNP State Governments to advocate for all voters to present a valid identity document when voting in local, state and federal elections and referenda.

**65. COASTAL RESERVOIRS FOR WATER SECURITY** **GLASS HOUSE SEC**

That this Convention of the LNP calls upon the next Federal Coalition and LNP State Governments to research the potential of Coastal Reservoirs (dams in or near the sea) to contribute to water security by storage at or near sea level, and recycling fresh water that would otherwise be lost to the ocean.

**66. NATIONAL EMPLOYMENT STANDARD** **GROOM FDC**

That this Convention of the LNP calls upon the next Federal Coalition Government to replace all industry awards with a single National Employment Standard (NES).

**In accordance with a resolution of the 2023 LNP Convention, the following resolutions have been carried over for consideration and do not need to be resubmitted.**

**67. MYRTLE RUST CONTROL**

**PSC - SCIENCE AND INNOVATION COMMITTEE**

That this Convention of the LNP calls upon the next Federal Coalition and LNP State Governments to accelerate funding into Myrtle Rust control to avoid the worst outcomes of plant and animal species loss and economic harm.

**68. ELECTRONIC DISABILITY TOILET DOORS**

**BONNEY SEC / YOUNG LNP**

That this Convention of the LNP calls upon the next Federal Coalition and LNP State Governments to:

- (a) make proactive changes to the Building Code to mandate that disability toilets are accessible via electronic opening doors; and
- (b) research and implement incentives for current commercial building owners to update their disability toilets to accessible electronic opening doors.

**COGNATE RESOLUTION OF:**

**BONNEY SEC**

That this Convention of the LNP calls on future Federal and State LNP Governments to:

- (a) make proactive changes to the Building Code to mandate that Disability Toilets are accessible via electronic opening doors; and
- (b) research and implement incentives for current commercial building owners to update their Disability Toilets to accessible electronic opening doors.

**YOUNG LNP**

That this Convention of the LNP calls on future Federal and State LNP Governments to:

- (a) make proactive changes to the Building Code to mandate that Disability Toilets are accessible via electronic opening doors; and
- (b) research and implement incentives for current commercial building owners to update their Disability Toilets to accessible electronic opening doors.

**69. OPPOSITION TO CASHLESS SOCIETY**

**NICKLIN SEC**

That this Convention of the LNP calls upon the next Federal Coalition Government to oppose the introduction of a completely cashless society in Australia.

**70. STAGE 3 TAX CUTS**

**JORDAN SEC**

That this Convention of the LNP calls upon the next Federal Coalition Government to maintain its support for Stage 3 Tax Cuts, and as well as adjust the income bracket \$45,001-\$200,000, that it may be taxed at 25% reduced from the planned 30%, to support Australian families challenged by increasing cost of living pressures.

**71. GIFTED AND TALENTED STUDENTS**

**CLAYFIELD SEC**

That this Convention of the LNP calls upon the next LNP State Government to increase resources to the Queensland Education Department to enhance education opportunities for gifted and talented students.

**72. ACCESS TO FAST RELIABLE INTERNET**

**BURDEKIN SEC**

That this Convention of the LNP calls upon the next LNP State Government to provide fast, reliable internet to students in all Queensland schools, to allow them to complete their studies and participate in testing measures.

**In accordance with a resolution of the 2023 LNP Convention, the following resolutions have been carried over for consideration and do not need to be resubmitted.**

**73. CURRICULUM REVIEW**

**NOOSA SEC**

That this Convention of the LNP calls upon the next LNP State Government to streamline the Queensland school curriculum, and re-introduce cross-curricular, hands-on units to engage students and reduce teacher workload.

**74. RETENTION OF TEACHING STAFF**

**GYMPIE SEC**

That this Convention of the LNP calls upon the next LNP State Government to increase the intake of male teachers in Queensland schools, and to increase the retention rate of all teachers.

**75. COPYRIGHT LAW REVIEW**

**GLASS HOUSE SEC**

That this Convention of the LNP calls upon the next Federal Coalition Government to review Australian copyright laws to ensure that the original works of authors and artists be protected.

**76. RENEWABLE ENERGY SITE REHABILITATION**

**CALLIDE SEC / WARREGO SEC**

That this Convention of the LNP calls upon the next LNP State Government to secure a financial guarantee by energy suppliers for the decommissioning, removal, disposal and rehabilitation of renewable energy sites and infrastructure at end of life cycle, and that it be the responsibility of the relevant energy company to incur all costs so as to minimise impact upon ratepayers, land users, cultural heritage and the environment.

**COGNATE RESOLUTION OF:**

**CALLIDE SEC**

That this Convention of the LNP requests that an incoming LNP government formulate legislation to mandate the removal, disposal and rehabilitation of the renewable energy sites, infrastructure at end of life cycle and be the responsibility of the companies that build them, including all costs incurred and be secured by financial guarantee.

**WARREGO SEC**

That this Convention of the LNP calls upon the State Government to:

- (a) hold a bond, paid for by the energy supplier, for the decommissioning and removal of wind and solar generation projects, at end of life;
- (b) to establish an appropriate land access framework for the development of the projects to protect the environment, cultural heritage and existing land users; and
- (c) minimise the impact on existing rate payers.

**78. INCREASED REGIONAL CHILD CARE**

**WARREGO SEC**

That this Convention of the LNP calls upon the next Federal Coalition and LNP State Governments to accelerate additional Centre Based Child Care and Family Day Care places in regional areas to help young families to return to work.

**In accordance with a resolution of the 2023 LNP Convention, the following resolutions have been carried over for consideration and do not need to be resubmitted.**

#### **79. HEADSPACE REVIEW**

**BONNEY SEC / CAIRNS SEC**

That this Convention of the LNP calls upon the next Federal Coalition Government to review Headspace, especially its social groups, to ensure a balanced mental health service for young adults, and to return Headspace to a primarily no-gap service.

#### **COGNATE RESOLUTION OF:**

##### **BONNEY SEC**

That this Convention of the LNP calls on a future Federal LNP Government to return Headspace to a primarily no-gap service.

##### **CAIRNS SEC**

That this Convention of the LNP encourages our federal parliamentary members to advocate to seek a review of Headspace, and especially their social groups so they ensure the provision of a balanced mental health service for young adults is maintained.

#### **80. VAPING REGULATIONS**

**YOUNG LNP**

That this Convention of the LNP calls upon the next Federal Coalition Government to reject proposed vaping regulations and instead support the regulation of vapes and sales over the counter at pharmacies only, including packaging, nicotine, flavour and chemical restrictions.

#### **81. FAMILY DAYCARE REGULATIONS**

**WARREGO SEC**

That this Convention of the LNP calls upon the next LNP State Government to review the Queensland Regulatory Authority on Family Day Care and remove inappropriate compliance requirements and regulator subjectivity.

#### **82. COMMONWEALTH SUPPORTED UNIVERSITY PLACES**

**BONNEY SEC**

That this Convention of the LNP calls upon the next Federal Coalition Government to increase Commonwealth Supported Places that are available in accredited Masters programs of Psychology and Psychological Science across all universities in Australia.

#### **83. POWER GENERATION UNITS AND CAPACITY**

**MARYBOROUGH SEC**

That this Convention of the LNP calls upon the next LNP State Government to mothball or put into maintenance mode any power generation units that are scheduled for closure or demolition, to avoid network shortages in power generation capacity.

**In accordance with a resolution of the 2023 LNP Convention, the following resolutions have been carried over for consideration and do not need to be resubmitted.**

**84. ROAD RULE REVIEW**

**CLAYFIELD SEC / MARYBOROUGH SEC**

That this Convention of the LNP calls upon the next LNP State Government to review the Queensland Road Rules to align sensible penalties consistent with other states and territories, and to reward road users for maintaining the rules of the road by applying monetary discount to their registration at the time of licence renewal, providing there are no recorded fines.

**COGNATE RESOLUTION OF:**

**CLAYFIELD SEC**

That this Convention of the LNP seeks a review of the Queensland Road Rules to bring in sensible penalties consistent with other States and Territories.

**MARYBOROUGH SEC**

That this Convention of the LNP, when in Government, rewards road users for maintaining the rules of the road by applying some monetary discount to their registration at the time of their licence renewal providing there are no fines applicable during that time period.

**85. SUBURBAN NIGHT TIME SAFETY**

**BURLEIGH SEC**

That this Convention of the LNP calls upon the next LNP State Government to develop a response to emerging night time economies in suburban and village areas, which supports economic activity while protecting the safety and amenity of local communities, particularly against assault, substance abuse, vandalism and indecency.

**86. FIXED MINIMUM SENTENCING**

**MARYBOROUGH SEC**

That this Convention of the LNP calls upon the next LNP State Government to introduce fixed minimum sentencing for all criminal activity.

**87. OPPOSITION TO TRUSTED DIGITAL IDENTITY**

**NICKLIN SEC**

That this Convention of the LNP calls upon the next Federal Coalition Government to oppose the introduction of compulsory Trusted Digital Identity.

**88. BREAKFAST CLUB PROGRAM IN SCHOOLS**

**MILLER SEC**

That this Convention of the LNP calls upon the next LNP State Government to institute a breakfast club program, which provides basic fresh primary produce sourced from Queensland primary producers (such as toast, fruit, cereals and milk) in all state schools, to ensure that disadvantaged children who often go without meals have the same capacity for learning as their peers, with the program facilitated by a food truck so that the responsibility does not fall upon teachers.

**89. PSYCHOLOGIST SUPERVISION REGULATIONS**

**BONNEY SEC**

That this Convention of the LNP calls upon the next Federal Coalition Government to review the psychologist supervision regulations.

**90. REPORTING OF SCHOOL COMPLAINTS**

**GYMPIE SEC**

That this Convention of the LNP calls upon the next LNP State Government to collate all written complaints to state and non-state schools for the Minister for Education to table in Parliament at set intervals.

**91. INLAND RAIL ROUTE**

**CLAYFIELD SEC**

That this Convention of the LNP calls upon the Federal Coalition and LNP State Opposition to support the inland rail route from Toowoomba to Gladstone and bypassing Brisbane.

**In accordance with a resolution of the 2023 LNP Convention, the following resolutions have been carried over for consideration and do not need to be resubmitted.**

**92. GREEN ENERGY PROJECTS**

**MIRANI SEC**

That this Convention of the LNP calls upon the next LNP State Government to complete the renewable energy framework to allow for government management of proposed green energy project sites, and to ensure that all green energy projects are subject to Environmental Protection legislation and Great Barrier Reef Marine Park regulations.

**93. PHONICS TEACHING IN SCHOOLS**

**TOWNSVILLE SEC**

That this Convention of the LNP calls upon the next LNP State Government to introduce the teaching of phonics in all Queensland primary schools, train all Queensland primary teachers in phonics, and abolish whole word reading methods.

**94. ELECTRICITY COST REDUCTION**

**LYTTON SEC**

That this Convention of the LNP calls upon the next LNP State Government to implement programs, including further investment in existing coal power versus renewable energy, so that within two terms of assuming government, Queensland has the cheapest electricity in Australia and is in the top five cheapest electricity providers in the OECD.

**96. ENERGY SUPPLY IN SCHOOL CURRICULUM**

**REDLANDS SEC**

That this Convention of the LNP calls upon the next LNP State Government to review the education curriculum to ensure that energy supply, including nuclear energy, and impacts of renewable energy are taught factually.

**97. SOUTH EAST QUEENSLAND REGIONAL PLAN**

**PINE RIVERS SEC**

That this Convention of the LNP calls upon the next LNP State Government to overhaul instruments within the South East Queensland Regional Plan 2009–2031, so as not to overburden existing residential areas.

**98. PARK AND RIDE CORRIDORS**

**BURLEIGH SEC**

That this Convention of the LNP calls upon the next LNP State Government to explore public and private partnerships to deliver urban renewal and parking facilities (park and ride) along corridors of high frequency public transport.

**99. FREIGHT SERVICE REVIEW**

**REDCLIFFE SEC**

That this Convention of the LNP calls upon the next Federal Coalition and LNP State Governments to review the pricing structure and accountability for freight services in capital city, regional and remote Australia, to make it more transparent and competitive within global market standards, and provide guaranteed compensation to business and consumers for lost and damaged consignments.

**100. TRANSLINK FARE ZONE REVIEW**

**BURLEIGH SEC**

That this Convention of the LNP calls upon the next LNP State Government to review Translink fare zones, which are not fit for purpose, to ensure that all terminal (end of line) bus stops, light rail stations and heavy rail stations are dual-zoned to encourage outer suburb residents to make greater use of public transport.

**101. HEALTH INSURANCE PREMIUM DEDUCTIBILITY**

**NANANGO SEC**

That this Convention of the LNP calls upon the next Federal Coalition Government to allow Australians to deduct their entire private health premiums from their taxable income.

**102. INTERNATIONAL BACKPACKER SUPERANNUATION EXEMPTION**

**WARREGO SEC**

That this Convention of the LNP calls upon the next Federal Coalition Government to exempt foreign back packers from superannuation.

**In accordance with a resolution of the 2023 LNP Convention, the following resolutions have been carried over for consideration and do not need to be resubmitted.**

**103. REDUCTION OF CLIMATE DEPENDENT ENERGY SUBSIDIES**

**REDCLIFFE SEC**

That this Convention of the LNP calls upon the next Federal Coalition Government to curtail or eventually abolish all government subsidies for climate dependent energy sources, as it is not an ongoing affordable long term expenditure.

**104. QUEENSLAND ENERGY PLAN**

**INALA SEC**

That this Convention of the LNP calls upon the next LNP State Government to cancel the 'Queensland Energy and Plans Power for Generations – 70% Renewable Energy by 2032' to essential services, and undertake a cost benefit analysis of the plan, including current and future coal fired power plants reaching an equilibrium with renewable energy generation, to ensure reliable and affordable electricity for all Queensland residents, businesses, and industries.

**106. PUBLIC DEBT CLOCK**

**LYTTON SEC**

That this Convention of the LNP calls upon the next LNP State Government to implement a publicly internet-accessible debt clock that continually reports state government debt, each local government council debt and each government wholly owned entity debt, including the interest and capital repaid.

**107. NDIS CANCELLATION FEES**

**BONNEY SEC / YOUNG LNP**

That this Convention of the LNP calls upon the next Federal Coalition Government to review the NDIS, so as to implement a fair and equitable cancellation policy for both independent support workers and participants within the NDIS.

**COGNATE RESOLUTION OF:**

**BONNEY SEC**

That this Convention of the LNP calls on a future LNP Federal Government to investigate within the NDIS, and consider creating either an industry standard or legislation to address:

- (a) cancellation fees charged by Independent Support Workers to Participants; and
- (b) participants being able to charge cancellation fees to Independent Support Workers who fail to provide adequate notice of cancellation.

**YOUNG LNP**

That this Convention of the LNP calls for a review of NDIS participants' abilities to implement a fair and equitable cancellation policy for independent support workers within the NDIS.

**108. ENERGY POLICY DEVELOPMENT**

**PINE RIVERS SEC**

That this Convention of the LNP calls upon the next Federal Coalition Government to deliver a viable, realistic and cost effective stance on delivering base load energy, such as nuclear as an adjunct to coal.

**109. CIVIC STUDIES IN SCHOOLS**

**LILLEY FDC**

That this Convention of the LNP calls upon the next LNP State Government to review the Queensland curriculum and reprioritize civic studies, including political philosophy, to ensure students graduate with knowledge that equips them to effectively engage in political discourse.

**110. MANAGEMENT OF STUDENT BEHAVIOUR**

**BURLEIGH SEC**

That this Convention of the LNP calls upon the next LNP State Government to empower local communities to manage student behaviour by removing a prohibition of mandatory minimum outcomes for misbehaviour that includes assault, the dealing of drugs, arson and vandalism, as part of a broader program for businesses to retain experienced staff.

**In accordance with a resolution of the 2023 LNP Convention, the following resolutions have been carried over for consideration and do not need to be resubmitted.**

**111. CRITICAL OCCUPATION LISTINGS**

**LILLEY FDC**

That this Convention of the LNP calls upon the next Federal Coalition Government, in the wake of the COVID-19 pandemic, to reassess the need for critical occupation listings as outlined in the *Migration Regulations 1994* (Cth), so as to ensure workforce equity between industries.

**112. COVID ROYAL COMMISSION**

**GROOM FDC**

That this Convention of the LNP calls upon the next Federal Coalition and LNP State Governments to launch a Royal Commission into the COVID-19 pandemic, to measure the impact of lockdowns to public health, the economy and children's education, and the justification of violations of civil liberty, so as to develop an appropriate response to any future pandemic.

**113. ELECTRO-MAGNETIC PULSE PROTECTION**

**INALA SEC**

That this Convention of the LNP calls upon the next Federal Coalition Government to ensure the following measures are taken relating to national Electro-Magnetic Pulse protection:

- (a) a risk and readiness assessment against malicious or accidental EMP at both the national level (eg atmospheric nuclear) or the micro level (small portable devices);
- (b) a national disaster recovery plan to ensure continuity of critical services in the event of an EMP discharge; and
- (c) programs to inform businesses and individuals about EMP risk and encourage simple but appropriate levels of preparation.

**115. RIGHT TO RETURN HOME**

**REDCLIFFE SEC**

That this Convention of the LNP calls upon the next LNP State Government to ensure the right of every Queenslander to return home, irrespective of prevailing global or national crisis, such as wars or pandemics, with due consideration of national security and extreme health matters.

**117. SCHOOL SYLLABUS REVIEW**

**PINE RIVERS SEC**

That this Convention of the LNP calls upon the next LNP State Government to review and improve the state school syllabus within one year of being elected.

**118. AUSTRALIAN BROADCASTING CORPORATION CHARTER**

**BONNER FDC**

That this Convention of the LNP calls upon the next Federal Coalition Government to restore the Australian Broadcasting Corporation (ABC) to being a broadcaster of balance, integrity, trustworthiness, patriotism, colour-blindness, high moral standards, supporter of faiths, exemplar of dignity in reporting standards, in compliance with its Charter.

**119. OPPOSITION TO ANZ ACQUISITION OF SUNCORP**

**YOUNG LNP**

That this Convention of the LNP calls upon the LNP State Opposition to oppose the proposed acquisition of Suncorp Bank by ANZ Bank, noting that it will reduce regional access to banking, take high paying financial jobs out of Queensland, and decrease competition in the sector.

**120. FLOOD MITIGATION IN HOMES**

**REDCLIFFE SEC**

That this Convention of the LNP calls upon the next LNP State Government to mitigate the devastating effects of flooding of homes in Queensland.

**121. ENERGY COST REDUCTION**

**NANANGO SEC**

That this Convention of the LNP calls upon the the next Federal Coalition and LNP State Governments to work with energy industry stakeholders to develop solutions to suppress energy cost increases in Queensland.

**In accordance with a resolution of the 2023 LNP Convention, the following resolutions have been carried over for consideration and do not need to be resubmitted.**

**122. TREATMENT OF PAEDIATRIC GENDER DYSPHORIA**

**LNP WOMEN**

That this Convention of the LNP calls upon the next Federal Coalition Government to urgently review, in conjunction with AHPRA and medical colleges, the current treatment of paediatric gender dysphoria, and that all puberty blockers, hormone treatment and surgical intervention be suspended for children under 18 until the review is completed.

**124. COUNTERING CHILD EXPLOITATION**

**MAROOCHYDORE SEC**

That this Convention of the LNP calls upon the next LNP State Government to implement a whole-of-government action plan to counter child sexual exploitation in Queensland.

**125. PARLIAMENTARY TRAVEL BENEFITS**

**LYTTON SEC**

That this Convention of the LNP moves that no elected federal, state or local representative accepts complementary privileges of the Qantas 'Chairman's Lounge', Virgin 'Beyond Lounge' or any other similar lounge invitation-only membership offered by any other airline.

**126. RAIL TO MAROOCHYDORE**

**LNP WOMEN**

That this Convention of the LNP calls upon the next Federal Coalition and LNP State Governments to bring heavy passenger rail to Maroochydore in a reasonable timeframe leading up to the 2032 Olympics and Paralympics.

**127. REDCLIFFE MENTAL HEALTH UNIT**

**REDCLIFFE SEC**

That this Convention of the LNP calls upon the LNP State Opposition to investigate the feasibility of establishing a mental health unit at Redcliffe Hospital, with the view that it becomes policy for the forthcoming state election.

**128. GYMPIE HOSPITAL DEVELOPMENT**

**GYMPIE SEC**

That this Convention of the LNP calls upon the next LNP State Government to develop a new public health facility, co-located with a private hospital, in Gympie.

**129. SUTTONS BEACH PAVILION FUNDING**

**REDCLIFFE SEC**

That this Convention of the LNP calls upon the next LNP State Government to contribute funding towards a Suttons Beach Pavilion rebuild.
