

OPEN SESSION RESOLUTIONS

1. PROTECTION OF COMMERCIAL FISHING INDUSTRY

CENTRAL COAST REGION

That this State Council of the LNP calls upon the next LNP State Government to secure the future of the wild-catch commercial fishing industry and supply of fresh local seafood to consumers by:

- (a) removing the proposed restrictions on fishing announced by Federal and State Fisheries Ministers in June 2023, including those relating to gillnet fishing and restrictions in the Gulf;
- (b) restoring the Spanish mackerel total allowable commercial catch and bag/boat limits for recreational anglers to 50% of the 2022-23 values, while reviewing the science behind the reduced 2023-24 quota and catch limits imposed by the Palaszczuk Labor Government; and
- (c) suspending any further restrictions and monitoring on professional fishers and recreational anglers, while reviewing Queensland fisheries policy, seafood supply and regional economics.

MOVED

SECONDED

CARRIED / LOST

2. VETERANS' AND FIRST RESPONDERS EMPLOYMENT PROGRAM

CALOUNDRA SEC

That this State Council of the LNP calls upon the next LNP State Government to establish a Veterans' and First Responders Employment Program to increase employment opportunities for veterans and first responders in the public service and private sector after their period of service ends.

MOVED

SECONDED

CARRIED / LOST

3. AFRICA-AUSTRALIA RELATIONS

PSC - FOREIGN AFFAIRS

That this State Council of the LNP calls upon the Federal Coalition to develop a broad-based discussion paper on the future of Africa-Australia relations, in light of growing security, social, economic and energy imperatives.

MOVED

SECONDED

CARRIED / LOST

4. SME CARBON EMISSIONS REPORTING

MAROOCHYDORE SEC

That this State Council of the LNP calls upon the next Federal Coalition and LNP State Governments to scrap mandatory Scope 3 Carbon Emissions Reporting as a requirement for small and medium enterprises to enter into Government or Public-Private supply chains, including for, but not limited to, the 2032 Olympic and Paralympic Games.

MOVED

SECONDED

CARRIED / LOST

5. QUEENSLAND PARLIAMENT CASUAL VACANCY PROCESS

MURRUMBA SEC

That this State Council of the LNP calls upon the next LNP State Government to initiate an amendment to the *Queensland Constitution* to implement casual vacancies in the Queensland Parliament, where a re-nomination by a political party or prior candidate within sixty days from the date of a casual vacancy is accepted.

MOVED

SECONDED

CARRIED / LOST

6. ONLINE AGE VERIFICATION

MAROOCHYDORE SEC

That this State Council of the LNP calls on the next Federal Coalition Government to legislate for mandatory age verification for online pornography, gambling and wagering websites.

MOVED

SECONDED

CARRIED / LOST

OPEN SESSION RESOLUTIONS

7. SUNSHINE COAST DEFENCE BASE

CALOUNDRA SEC

That this State Council of the LNP calls upon the next Federal Coalition Government to establish a multi-user Defence base on the Sunshine Coast to increase Australian Defence Force Reserve employment opportunities, provide greater opportunity for ADF Cadet programs, and expand Defence Industry presence with access to secure Defence IT networks.

MOVED

SECONDED

CARRIED / LOST

8. ROCKHAMPTON SECOND HOSPITAL

ROCKHAMPTON SEC

That this State Council of the LNP calls upon the LNP State Opposition to advocate for a second hospital in Rockhampton.

MOVED

SECONDED

CARRIED / LOST

9. BELLS CREEK ARTERIAL ROAD INTERSECTION UPGRADE

CALOUNDRA SEC

That this State Council of the LNP calls upon the LNP State Opposition to commit to the full upgrade and overpass at the Caloundra Road–Kawana Way–Bells Creek Arterial Road intersection, and pressure the Palaszczuk Labor Government to match the commitment before the 2024 election.

MOVED

SECONDED

CARRIED / LOST

10. FIRST HOME DEPOSIT SCHEME INITIATIVE

INALA SEC

That this State Council of the LNP calls upon the next Federal Coalition Government to amend the First Home Deposit Scheme, so that first home buyers can utilise a minimum two-year rental history as a consideration towards their capacity to service a home loan.

MOVED

SECONDED

CARRIED / LOST

11. FIRST HOME OWNERS INITIATIVE

MAROOCHYDORE SEC

That this State Council of the LNP calls upon the next LNP State Government to allow first home owners, who have been granted a transfer duty concession, to be able to rent a portion of their property (except as short stay accommodation) without penalty, as long as they continue to reside in the property.

MOVED

SECONDED

CARRIED / LOST

12. MENINGOCOCCAL B VACCINE

CURRUMBIN SEC

That this State Council of the LNP calls upon the next LNP State Government to include the Meningococcal B vaccine on the Immunisation Schedule Queensland, including making the vaccine available through the School Immunisation Program.

MOVED

SECONDED

CARRIED / LOST

13. AFFORDABLE IVF

MILLER SEC

That this State Council of the LNP calls upon the next LNP State Government to adopt an Affordable IVF Initiative.

MOVED

SECONDED

CARRIED / LOST

OPEN SESSION RESOLUTIONS

14. FAITH BASED EDUCATION

MAROOCHYDORE SEC

That this State Council of the LNP calls upon the next Federal Coalition Government to establish protections for faith-based schools to employ staff who align with their faith, values and ethos, in light of the Australian Law Reform Commission's recent consultation paper.

MOVED

SECONDED

CARRIED / LOST

15. FLEXIBLE WORK PLACES

CLAYFIELD SEC

That this State Council of the LNP calls upon the next Federal Coalition and LNP State Governments to support changes in employment practices to adapt to the evolving trend of remote work and flexible working environments, reflecting the shift away from traditional physical offices.

MOVED

SECONDED

CARRIED / LOST

16. BREASTSCREEN QUEENSLAND IMAGING

LNP WOMEN

That this State Council of the LNP calls upon the next LNP State Government to urgently replace 2D breast screen imaging machines with the latest 3D technology in all BreastScreen Queensland sites.

MOVED

SECONDED

CARRIED / LOST

17. OPPOSITION TO SUPERVISED INJECTING ROOMS

LILLEY FDC

That this State Council of the LNP calls upon the next LNP State Government to oppose the implementation of medically supervised injecting rooms.

MOVED

SECONDED

CARRIED / LOST

18. VOTER ID FOR ELECTIONS

NICKLIN SEC

That this State Council of the LNP calls upon the Brisbane City Council and the next Federal Coalition and LNP State Governments to advocate for all voters to present a valid identity document when voting in local, state and federal elections and referenda.

MOVED

SECONDED

CARRIED / LOST

19. COASTAL RESERVOIRS FOR WATER SECURITY

GLASS HOUSE SEC

That this State Council of the LNP calls upon the next Federal Coalition and LNP State Governments to research the potential of Coastal Reservoirs (dams in or near the sea) to contribute to water security by storage at or near sea level, and recycling fresh water that would otherwise be lost to the ocean.

MOVED

SECONDED

CARRIED / LOST

20. NATIONAL EMPLOYMENT STANDARD

GROOM FDC

That this State Council of the LNP calls upon the next Federal Coalition Government to replace all industry awards with a single National Employment Standard (NES).

MOVED

SECONDED

CARRIED / LOST

OPEN SESSION RESOLUTIONS

21. MYRTLE RUST CONTROL

PSC - SCIENCE AND INNOVATION COMMITTEE

That this State Council of the LNP calls upon the next Federal Coalition and LNP State Governments to accelerate funding into Myrtle Rust control to avoid the worst outcomes of plant and animal species loss and economic harm.

MOVED

SECONDED

CARRIED / LOST

22. OPPOSITION TO CASHLESS SOCIETY

NICKLIN SEC

That this State Council of the LNP calls upon the next Federal Coalition Government to oppose the introduction of a completely cashless society in Australia.

MOVED

SECONDED

CARRIED / LOST

23. STAGE 3 TAX CUTS

JORDAN SEC

That this State Council of the LNP calls upon the next Federal Coalition Government to maintain its support for Stage 3 Tax Cuts, and as well as adjust the income bracket \$45,001-\$200,000, that it may be taxed at 25% reduced from the planned 30%, to support Australian families challenged by increasing cost of living pressures.

MOVED

SECONDED

CARRIED / LOST

24. GIFTED AND TALENTED STUDENTS

CLAYFIELD SEC

That this State Council of the LNP calls upon the next LNP State Government to increase resources to the Queensland Education Department to enhance education opportunities for gifted and talented students.

MOVED

SECONDED

CARRIED / LOST

25. ACCESS TO FAST RELIABLE INTERNET

BURDEKIN SEC

That this State Council of the LNP calls upon the next LNP State Government to provide fast, reliable internet to students in all Queensland schools, to allow them to complete their studies and participate in testing measures.

MOVED

SECONDED

CARRIED / LOST

26. CURRICULUM REVIEW

NOOSA SEC

That this State Council of the LNP calls upon the next LNP State Government to streamline the Queensland school curriculum, and re-introduce cross-curricular, hands-on units to engage students and reduce teacher workload.

MOVED

SECONDED

CARRIED / LOST

27. RETENTION OF TEACHING STAFF

GYMPIE SEC

That this State Council of the LNP calls upon the next LNP State Government to increase the intake of male teachers in Queensland schools, and to increase the retention rate of all teachers.

MOVED

SECONDED

CARRIED / LOST

28. COPYRIGHT LAW REVIEW

GLASS HOUSE SEC

That this State Council of the LNP calls upon the next Federal Coalition Government to review Australian copyright laws to ensure that the original works of authors and artists be protected.

MOVED

SECONDED

CARRIED / LOST

OPEN SESSION RESOLUTIONS

29. RENEWABLE ENERGY SITE REHABILITATION

CALLIDE SEC / WARREGO SEC

That this State Council of the LNP calls upon the next LNP State Government to secure a financial guarantee by energy suppliers for the decommissioning, removal, disposal and rehabilitation of renewable energy sites and infrastructure at end of life cycle, and that it be the responsibility of the relevant energy company to incur all costs so as to minimise impact upon ratepayers, land users, cultural heritage and the environment.

COGNATE RESOLUTION OF:

CALLIDE SEC

That this State Council of the LNP requests that an incoming LNP government formulate legislation to mandate the removal, disposal and rehabilitation of the renewable energy sites, infrastructure at end of life cycle and be the responsibility of the companies that build them, including all costs incurred and be secured by financial guarantee.

WARREGO SEC

That this State Council of the LNP calls upon the State Government to:

- (a) hold a bond, paid for by the energy supplier, for the decommissioning and removal of wind and solar generation projects, at end of life;
- (b) to establish an appropriate land access framework for the development of the projects to protect the environment, cultural heritage and existing land users; and
- (c) minimise the impact on existing rate payers.

MOVED

SECONDED

CARRIED / LOST

30. INCREASED REGIONAL CHILD CARE

WARREGO SEC

That this State Council of the LNP calls upon the next Federal Coalition and LNP State Governments to accelerate additional Centre Based Child Care and Family Day Care places in regional areas to help young families to return to work.

MOVED

SECONDED

CARRIED / LOST

31. VAPING REGULATIONS

YOUNG LNP

That this State Council of the LNP calls upon the next Federal Coalition Government to reject proposed vaping regulations and instead support the regulation of vapes and sales over the counter at pharmacies only, including packaging, nicotine, flavour and chemical restrictions.

MOVED

SECONDED

CARRIED / LOST

32. FAMILY DAYCARE REGULATIONS

WARREGO SEC

That this State Council of the LNP calls upon the next LNP State Government to review the Queensland Regulatory Authority on Family Day Care and remove inappropriate compliance requirements and regulator subjectivity.

MOVED

SECONDED

CARRIED / LOST

OPEN SESSION RESOLUTIONS

33. POWER GENERATION UNITS AND CAPACITY

MARYBOROUGH SEC

That this State Council of the LNP calls upon the next LNP State Government to mothball or put into maintenance mode any power generation units that are scheduled for closure or demolition, to avoid network shortages in power generation capacity.

MOVED

SECONDED

CARRIED / LOST

34. ROAD RULE REVIEW

CLAYFIELD SEC / MARYBOROUGH SEC

That this State Council of the LNP calls upon the next LNP State Government to review the Queensland Road Rules to align sensible penalties consistent with other states and territories, and to reward road users for maintaining the rules of the road by applying monetary discount to their registration at the time of licence renewal, providing there are no recorded fines.

COGNATE RESOLUTION OF:

CLAYFIELD SEC

That this State Council of the LNP seeks a review of the Queensland Road Rules to bring in sensible penalties consistent with other States and Territories.

MARYBOROUGH SEC

That this State Council of the LNP, when in Government, rewards road users for maintaining the rules of the road by applying some monetary discount to their registration at the time of their licence renewal providing there are no fines applicable during that time period.

MOVED

SECONDED

CARRIED / LOST

35. SUBURBAN NIGHT TIME SAFETY

BURLEIGH SEC

That this State Council of the LNP calls upon the next LNP State Government to develop a response to emerging night time economies in suburban and village areas, which supports economic activity while protecting the safety and amenity of local communities, particularly against assault, substance abuse, vandalism and indecency.

MOVED

SECONDED

CARRIED / LOST

36. FIXED MINIMUM SENTENCING

MARYBOROUGH SEC

That this State Council of the LNP calls upon the next LNP State Government to introduce fixed minimum sentencing for all criminal activity.

MOVED

SECONDED

CARRIED / LOST

37. OPPOSITION TO TRUSTED DIGITAL IDENTITY

NICKLIN SEC

That this State Council of the LNP calls upon the next Federal Coalition Government to oppose the introduction of compulsory Trusted Digital Identity.

MOVED

SECONDED

CARRIED / LOST

OPEN SESSION RESOLUTIONS

38. BREAKFAST CLUB PROGRAM IN SCHOOLS

MILLER SEC

That this State Council of the LNP calls upon the next LNP State Government to institute a breakfast club program, which provides basic fresh primary produce sourced from Queensland primary producers (such as toast, fruit, cereals and milk) in all state schools, to ensure that disadvantaged children who often go without meals have the same capacity for learning as their peers, with the program facilitated by a food truck so that the responsibility does not fall upon teachers.

MOVED

SECONDED

CARRIED / LOST

39. REPORTING OF SCHOOL COMPLAINTS

GYMPIE SEC

That this State Council of the LNP calls upon the next LNP State Government to collate all written complaints to state and non-state schools for the Minister for Education to table in Parliament at set intervals.

MOVED

SECONDED

CARRIED / LOST

40. INLAND RAIL ROUTE

CLAYFIELD SEC

That this State Council of the LNP calls upon the Federal Coalition and LNP State Opposition to support the inland rail route from Toowoomba to Gladstone and bypassing Brisbane.

MOVED

SECONDED

CARRIED / LOST

41. GREEN ENERGY PROJECTS

MIRANI SEC

That this State Council of the LNP calls upon the next LNP State Government to complete the renewable energy framework to allow for government management of proposed green energy project sites, and to ensure that all green energy projects are subject to Environmental Protection legislation and Great Barrier Reef Marine Park regulations.

MOVED

SECONDED

CARRIED / LOST

42. PHONICS TEACHING IN SCHOOLS

TOWNSVILLE SEC

That this State Council of the LNP calls upon the next LNP State Government to introduce the teaching of phonics in all Queensland primary schools, train all Queensland primary teachers in phonics, and abolish whole word reading methods.

MOVED

SECONDED

CARRIED / LOST

43. ELECTRICITY COST REDUCTION

LYTTON SEC

That this State Council of the LNP calls upon the next LNP State Government to implement programs, including further investment in existing coal power versus renewable energy, so that within two terms of assuming government, Queensland has the cheapest electricity in Australia and is in the top five cheapest electricity providers in the OECD.

MOVED

SECONDED

CARRIED / LOST

44. ENERGY SUPPLY IN SCHOOL CURRICULUM

REDLANDS SEC

That this State Council of the LNP calls upon the next LNP State Government to review the education curriculum to ensure that energy supply, including nuclear energy, and impacts of renewable energy are taught factually.

MOVED

SECONDED

CARRIED / LOST

OPEN SESSION RESOLUTIONS

45. SOUTH EAST QUEENSLAND REGIONAL PLAN

PINE RIVERS SEC

That this State Council of the LNP calls upon the next LNP State Government to overhaul instruments within the South East Queensland Regional Plan 2009–2031, so as not to overburden existing residential areas.

MOVED

SECONDED

CARRIED / LOST

46. PARK AND RIDE CORRIDORS

BURLEIGH SEC

That this State Council of the LNP calls upon the next LNP State Government to explore public and private partnerships to deliver urban renewal and parking facilities (park and ride) along corridors of high frequency public transport.

MOVED

SECONDED

CARRIED / LOST

47. FREIGHT SERVICE REVIEW

REDCLIFFE SEC

That this State Council of the LNP calls upon the next Federal Coalition and LNP State Governments to review the pricing structure and accountability for freight services in capital city, regional and remote Australia, to make it more transparent and competitive within global market standards, and provide guaranteed compensation to business and consumers for lost and damaged consignments.

MOVED

SECONDED

CARRIED / LOST

48. TRANSLINK FARE ZONE REVIEW

BURLEIGH SEC

That this State Council of the LNP calls upon the next LNP State Government to review Translink fare zones, which are not fit for purpose, to ensure that all terminal (end of line) bus stops, light rail stations and heavy rail stations are dual-zoned to encourage outer suburb residents to make greater use of public transport.

MOVED

SECONDED

CARRIED / LOST

49. HEALTH INSURANCE PREMIUM DEDUCTIBILITY

NANANGO SEC

That this State Council of the LNP calls upon the next Federal Coalition Government to allow Australians to deduct their entire private health premiums from their taxable income.

MOVED

SECONDED

CARRIED / LOST

50. INTERNATIONAL BACKPACKER SUPERANNUATION EXEMPTION

WARREGO SEC

That this State Council of the LNP calls upon the next Federal Coalition Government to exempt foreign back packers from superannuation.

MOVED

SECONDED

CARRIED / LOST

51. REDUCTION OF CLIMATE DEPENDENT ENERGY SUBSIDIES

REDCLIFFE SEC

That this State Council of the LNP calls upon the next Federal Coalition Government to curtail or eventually abolish all government subsidies for climate dependent energy sources, as it is not an ongoing affordable long term expenditure.

MOVED

SECONDED

CARRIED / LOST

OPEN SESSION RESOLUTIONS

52. QUEENSLAND ENERGY PLAN

INALA SEC

That this State Council of the LNP calls upon the next LNP State Government to cancel the 'Queensland Energy and Plans Power for Generations – 70% Renewable Energy by 2032' to essential services, and undertake a cost benefit analysis of the plan, including current and future coal fired power plants reaching an equilibrium with renewable energy generation, to ensure reliable and affordable electricity for all Queensland residents, businesses, and industries.

MOVED

SECONDED

CARRIED / LOST

53. PUBLIC DEBT CLOCK

LYTTON SEC

That this State Council of the LNP calls upon the next LNP State Government to implement a publicly internet-accessible debt clock that continually reports state government debt, each local government council debt and each government wholly owned entity debt, including the interest and capital repaid.

MOVED

SECONDED

CARRIED / LOST

54. ENERGY POLICY DEVELOPMENT

PINE RIVERS SEC

That this State Council of the LNP calls upon the next Federal Coalition Government to deliver a viable, realistic and cost effective stance on delivering base load energy, such as nuclear as an adjunct to coal.

MOVED

SECONDED

CARRIED / LOST

55. CIVIC STUDIES IN SCHOOLS

LILLEY FDC

That this State Council of the LNP calls upon the next LNP State Government to review the Queensland curriculum and reprioritize civic studies, including political philosophy, to ensure students graduate with knowledge that equips them to effectively engage in political discourse.

MOVED

SECONDED

CARRIED / LOST

56. MANAGEMENT OF STUDENT BEHAVIOUR

BURLEIGH SEC

That this State Council of the LNP calls upon the next LNP State Government to empower local communities to manage student behaviour by removing a prohibition of mandatory minimum outcomes for misbehaviour that includes assault, the dealing of drugs, arson and vandalism, as part of a broader program for businesses to retain experienced staff.

MOVED

SECONDED

CARRIED / LOST

57. CRITICAL OCCUPATION LISTINGS

LILLEY FDC

That this State Council of the LNP calls upon the next Federal Coalition Government, in the wake of the COVID-19 pandemic, to reassess the need for critical occupation listings as outlined in the *Migration Regulations 1994* (Cth), so as to ensure workforce equity between industries.

MOVED

SECONDED

CARRIED / LOST

58. COVID ROYAL COMMISSION

GROOM FDC

That this State Council of the LNP calls upon the next Federal Coalition and LNP State Governments to launch a Royal Commission into the COVID-19 pandemic, to measure the impact of lockdowns to public health, the economy and children's education, and the justification of violations of civil liberty, so as to develop an appropriate response to any future pandemic.

MOVED

SECONDED

CARRIED / LOST

OPEN SESSION RESOLUTIONS

59. ELECTRO-MAGNETIC PULSE PROTECTION

INALA SEC

That this State Council of the LNP calls upon the next Federal Coalition Government to ensure the following measures are taken relating to national Electro-Magnetic Pulse protection:

- (a) a risk and readiness assessment against malicious or accidental EMP at both the national level (eg atmospheric nuclear) or the micro level (small portable devices);
- (b) a national disaster recovery plan to ensure continuity of critical services in the event of an EMP discharge; and
- (c) programs to inform businesses and individuals about EMP risk and encourage simple but appropriate levels of preparation.

MOVED

SECONDED

CARRIED / LOST

60. RIGHT TO RETURN HOME

REDCLIFFE SEC

That this State Council of the LNP calls upon the next LNP State Government to ensure the right of every Queenslanders to return home, irrespective of prevailing global or national crisis, such as wars or pandemics, with due consideration of national security and extreme health matters.

MOVED

SECONDED

CARRIED / LOST

61. SCHOOL SYLLABUS REVIEW

PINE RIVERS SEC

That this State Council of the LNP calls upon the next LNP State Government to review and improve the state school syllabus within one year of being elected.

MOVED

SECONDED

CARRIED / LOST

62. AUSTRALIAN BROADCASTING CORPORATION CHARTER

BONNER FDC

That this State Council of the LNP calls upon the next Federal Coalition Government to restore the Australian Broadcasting Corporation (ABC) to being a broadcaster of balance, integrity, trustworthiness, patriotism, colour-blindness, high moral standards, supporter of faiths, exemplar of dignity in reporting standards, in compliance with its Charter.

MOVED

SECONDED

CARRIED / LOST

63. OPPOSITION TO ANZ ACQUISITION OF SUNCORP

YOUNG LNP

That this State Council of the LNP calls upon the LNP State Opposition to oppose the proposed acquisition of Suncorp Bank by ANZ Bank, noting that it will reduce regional access to banking, take high paying financial jobs out of Queensland, and decrease competition in the sector.

MOVED

SECONDED

CARRIED / LOST
